Dear Bradford K-8 Families,

We are excited to welcome you to the 22-23 school year at Bradford K-8. We hope that you have enjoyed your summer and are excited to start the year with us. Both of us have enjoyed working together as we returned from summer a few weeks back and we are even more excited to be welcoming students on our campuses in the coming weeks. Below you will find information regarding important beginning of the year events as well as key registration needs. Moving forward, in an effort to best support all families K-8, we will be sending a weekly newsletter starting on August 12th with important dates, ways to support your child(ren), and more.

We look forward to welcoming you to Bradford,

# 2022-2023 School Meal Info

## Meal Prices - JEFFCO Public School Food & Nutrition Services

As we recently communicated, the federal school meal waivers will no longer be available for the 2022-23 school year. This means a return to paid meals beginning August 16 for students who do not qualify for Free or Reduced Meals benefits.

### **What's Next for Families?**

- Meals will no longer be free. They will be charged based on Free, Reduced, and Paid Meal eligibility. Money can be added to student accounts using School Cafe, [www.schoolcafe.com/JeffcoSD](http://www.schoolcafe.com/JeffcoSD).
- Families need to complete a [free and reduced meal application](#) on School Café. Completing an application is one of the ways to be considered eligible for free or reduced price meals. Families not eligible for free and reduced lunch will begin paying for meals using [their school café account](#) or pay cash.
  - If your student gets a school meal, the account will be charged. The school does not deny a student a meal. You can set up your student's school meal account through [School Café](#).
  - **Meal prices will cost the following:**
    - Elementary Breakfast: \$2.00
    - Secondary Breakfast: \$2.25
    - Elementary Lunch: \$3.25
    - Secondary Lunch: \$3.50
    - Adult Lunch: \$4.25
    - Milk Only: \$1.00
